GLASS OF HEARTS INFO

We're Glass Of Hearts, a Portland, OR based tribute to Blondie. With decades of stage experience between us we bring an authentic and energetic Blondie experience to life. From their Punk rock roots to their New Wave and Pop song glamour, we provide the look and sound of Blondie in their prime.

Let us know what you need and we'll do whatever we can to make it happen. Multiple band lineups, supplying PA, a full night, we can get it done. We're eager to bring some old school rock and a memorable experience to your events!
